Brake pads, Saab 900

This information was earlier a part of Service Information 500-1017 and it replaces SI 500-1699.

Brake pads

All brake pads are asbestos-free.

Version	Model Year	Part No., front	Part No., rear	Remarks
900	1994-1996	46 48 457	44 67 072	48 38 660 Handbrake shoes
900	1997-	47 78 254	48 37 241	48 38 660 Handbrake shoes

Brake pads, special types of driving

The following pads are suitable for use in driving conditions which lead to complaints concerning poor braking performance and vibrations when driving at high speed (e.g. for use on emergency vehicles including all kinds of police cars).

All brake pads are asbestos-free.

Version	Model Year	Part No., front	Part No., rear	Remarks
900	1994-1996	46 46 899	44 67 072	

In the case of complaints concerning vibrations, start by checking runout and the variation in thickness of the brake discs as well as runout on the wheel hub. See 5:1 "Brakes".
