

Black, colour code 170

Note that Cirrus White, colour code 153, and Monte Carlo Yellow, colour code 231, will remain as normal solid paint.

Touching up

Never mix the colour systems as there are differences in finish and ageing characteristics.

Never apply clear enamel to normal one-coat solid paint (not quality-approved by Saab Automobile AB).

Spray and enamel applicators can be used as usual for smaller repairs.

Marking

3 PASS.

2 PASS.

TOTAL 5 PASS.

1 - 3	210 kPa	210
0-160 km/h	2,1 Bar	2,1
0-100 mph	30 psi	30
4 - 5	230 kPa	230
