

**TECHNICAL NEWS**

Bulletin Nbr: 99-10-510b

Date:.....Oktober 1999

Market: all

**Brake pads, special types of driving (not Viggen)**

**This TN replaces TN 99-02-510b**

The following brake pads have been tested to suit specific types of driving, such as in solely urban traffic or taxis. In such cases, special demands are placed on the service life of the brake pads.

All brake pads are asbestos-free.
